If you would be able to do patrol duty but have circumstances that prevent you from doing patrolling during the evening times, the Zone Leader of your area will be visiting you to discuss your application. We do have day time patrolling for those who cannot do evening patrols.

If not willing to do patrol duties, please provide supporting reasons why you are not able to:

The Committee will evaluate the application and at their sole discretion will accept or reject the application. Although we require members to do patrol duty, we do accept that there will be those who through legitimate reasons and circumstances will not be able to. Therefore to allow all residents of Oak Glen the opportunity to participate and to be part of the NW, we have allowed for a monthly donation of R75.00 which would more or less cover the costs of one shift per month.
